

Verification of homelessness to waive fee for Utah birth certificate or ID card or DCFS custody for Utah birth certificate, ID card, learner permit, or driver license

This verification form must be completed by a representative of the Department of Workforce Services; a homeless shelter or a permanent housing, permanent supportive, or transitional facility; or DCFS GRAMA specialist. For a free Utah birth certificate: submit this form and a birth certificate application to the Utah Department of Health and Human Services Office of Vital Records and Statistics or a local health department vital records office. For a free identification card for the homeless or identification card, learner permit, or driver license for youth who are or were in DCFS but are no longer due to age: submit this form with a completed identification card, learner permit, or driver license application to the Utah Department of Public Safety, Driver License Division. This form does not waive other application requirements. This verification is good for 60 days from the date it is verified by the facility or agency representative.
